SUBSTITUTE RESPONSE AND AMENDMENT

Sir:

In reviewing this application it was noted that while a timely response was filed to the outstanding Official Action the amendment did not include a complete listing of all the claims including those that were cancelled. This has been done in the instant response which is to be substituted for the one that was filed on July 29, 2004 and only differs by including a list of the cancelled claims.

A terminal disclaimer and the requisite fee was included with the originally filed Amendment.
